INVESTIGATION MEETING 12 September 2006
DATE OF DETERMINATION 13 September 2006

DETERMINATION OF THE AUTHORITY BY CONSENT

Today I convened a meeting with the parties as part of my investigation into their employment relationship problem. Following an adjournment in the meeting they advised me that they had agreed upon terms of settlement of the problem and wished me to record those terms as an order of the Authority by consent. They also advised that it was their wish that those terms of settlement remain confidential.

I therefore dispose of the matter by means of an order by consent, the terms of which are attached. The publication of these terms of settlement is prohibited pursuant to Clause (10) (2) of the Second Schedule of the Employment Relations Act 2000.
