CONSENT DETERMINATION OF THE AUTHORITY

Employment relationship problem

[1] The parties attended an investigation meeting for a full day and at the conclusion had an opportunity for a break before the presentation of final submissions. Before final submissions they advised me that they had reached terms of settlement. There is no necessity for me to publish the facts and details of the evidence.

[2] I was satisfied that the parties had resolved the employment relationship problem by signing terms of settlement.

Consent orders of the Authority

[3] By consent the terms of settlement become an order of the Authority.

[4] Also, by consent of the parties I prohibit the publication of the terms of settlement to preserve the parties' agreement on confidentiality. The terms will remain sealed on the Authority's closed file.
